Prizes Offered at Next Garden Club Meeting

Ask Council to Plant City Hall Lot in Dahlias

At the next meeting of the Garden Club, there will be an exhibit of bulbous flowers now in bloom. Mr. Fred C. McNabb will discuss the flowers, and prizes will be awarded for the best exhibits.

Prizes will be offered for Ranunculus, Freesia, Anemone, Narcissus in each of three types, Polyanthus, Paeonia and Daffodil, tulips, Dutch or Spanish Iris, Hyacinth, and any other bulbous flowers, with a special prize for sweet peas.

The Garden Club recently made the suggestion within the club and later submitted such suggestion to the city council that the vacant plot of ground at Cravens and El Prado be planted in dahlias of the newer and better varieties.

Such a project has been tried at Santa Monica, and the municipal dahlia garden there has excited much interest from the garden magazines and horticultural publications throughout the country.

The Voice of the People

Mr. Editor: In the Voice of the People, I was interested in what Principal Wood had to say in relation to the fire crackers on the 4th of July. I go if a little stronger. I think it much more sane to only allow the children the fire crackers on the day of the 4th, for the reason that they are so dangerous to the children and so destructive to property and so annoying to the sick and nervous and to those who have to sleep during the day, time. It is unreasonable to have all this noise almost a month before the 4th of July, until about the same length of time after that date. I hope this matter will receive attention.

Respectfully, A. F. Johnson. March 11, 1929.
